

It's Not Just About The Food

Our entire team is dedicated to you! We realize it is not just about the food. That is why we put 110% focus in the following areas:

- **Quality** We only use the highest quality ingredients when preparing our food and you should expect nothing less.
- **Portions** How embarrassing would it be to plan a catered event and run out of food?! That is why we serve generous portions so that you will even have left overs.
- **Punctuality** Our catering experts arrive with sufficient time to setup your event while keeping the food fresh for your guests.
- **Service** We are here to serve you period. We rarely say no to your requests so if you want us to do something that we don't have listed here just ask!

Serve Yourself & Save!

Like to DIY? Serve yourself on any of the above packages and save \$2.00 per person! This scaled down version of our full service does not include delivery, paper products or drinks.

The Gamecocks scored some great barbecue on our recent trip to Gainesville. As South Carolinians we know our barbecue and David's BBQ provided us with great barbecue! Not only was the food fabulous but the service was spectacular. Chris and his team worked with us on every aspect of our tailgate setting up the tables and tents, etc. They were super friendly and very accommodating! Thanks again for a victorious meal off the field! We'll be back! -
