TESTIMONIALS

“I wanted to thank you and your crew for all you did last night at our wedding. You guys were amazing and helpful and professional. We didn’t have a single problem all night! You all were so on top of everything, it was so great to not have to worry about anything like that. The way the food and drinks were presented was wonderful as well. We will highly recommend David’s for catering to anyone I know. Thank you so much for giving us such great attention and care to our event. We didn’t have that experience with all of our vendors yesterday, so thank you SO much for being so great and easy to work with.”

“If you are looking for a well rounded business to provide above and beyond exceptional service than you should choose David’s BBQ. Chris and the crew that took care of our venue was excellent. The set-up was perfect on timing, serving and beautiful for the wedding. The food was awesome....must get the Brisket and Twice Baked Mashed Potatoes it is out of this world! I cannot say enough about the service from the very first moment I met Chris until the last minute of the venue, we were treated with the up most respect. I will use them again in the future beyond a shadow of a doubt. Food < 2 Meats, 2 Sides, Salads, Bread, Beverage, Coffee Station, Everything possibly you could think of for the price. * If my daughter decides to get married in Tallahassee...I hope they do road trips!*”

“I would go back to Chris and his team without any hesitation! I planned my wedding out of state and he completely understood and worked with me all the way to the end! At the very last minute it rained on our outside ceremony and we had to move everyone inside, Chris and his team didn’t bat an eye but made sure my guest were all completely happy! I had really high expectations for this group and they exceeded them! During the dinner hour his whole team made sure everyone was happy and had everything they needed. Even the guest were giving me compliments on how professional the staff was! I could not imagine a better catering company to handle my wedding day!”

- Savanna Williams, Wedding Client

“We absolutely LOVED working with Chris both before, during, and after our event! He was friendly and professional and even when rain hit our outdoor event he made sure everything looked and tasted perfect! We want to plan another event just to have the chance to work with him again!”
